One of the surest ways to get boys and girls to go to Sunday school is for the teachers to be there in time to greet the scholars—and then have something interesting to tell them, says the *Jessamine Journal*.

The revival meeting at the Christian church is being well attended and much good is being accomplished. There have been 11 additions. Rev. Cokely closed a two weeks' meeting at Frazier last Sunday with 27 additions to the church.—*Somerset Mountaineer*.

The ceremony was performed by Rev. John S. Shouse, of Lexington. The ceremony took place under a wedding bell of white chrysanthemums. Mrs. Annie Mountjoy, of Mt. Sterling, was the bride's attendant, and Mr. James H. Swope, the bridegroom's brother, of Lincoln county, acted as his best man. Only relatives were present at the wedding. Mr. Swope is a wealthy farmer and stock raiser. The bride is a daughter of the late John T. Gay, of Woodford, and is a very attractive young woman.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by Stanford Drug Co.

Taking into consideration the popularity of his opponent, Gov. Beckham made one of the strongest races ever made in Kentucky, as we have few men who command the respect of all classes to a greater degree than Senator McCreary.—*Jessamine Journal*.

CORNS CURED.—Corn Exit will positively remove corns in four days. The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. A bottle of this great preparation only costs 15 cents and nothing if a perfect cure is not speedily effected. G. L. Penny, druggist, Stanford, Ky.

A runaway horse plunged through the windows of the First National Bank at Paducah and wrecked the interior, stopping in the president's office. Several persons were cut by flying glass.

Cut this out and take it to the Stanford Drug Co. and get a free sample of Chamberlain's Stomach and Liver Tablets. For biliousness and constipation they are unequalled. They improve the appetite, strengthen the digestion and regulate the liver and bowels.

It cost Mr. I. C. Brown, the well-known farmer who resides near Atoka, just \$18.75 for the killing of two rabbits before the game law expired. Warden William Phillips was near when the act was committed and promptly swore out a warrant for Mr. Brown. The defendant plead guilty and Judge Nichols assessed the above fine.—*Advocate*.

Mrs. Charles Cundiff, of Oak Hill, was found dead in bed from heart disease. At the home of the bride at London, Mr. Woodson May, of this city, and Miss Lucy McKee were joined in wedlock by Rev. McIntire. Mr. and Mrs. John Slessinger have issued invitations to the marriage of their daughter, Miss Helen Slessinger, to Mr. Jas. Alfred Boner, on Thursday afternoon, Nov. 22. Matthew Milo Dodge, a prominent citizen of Somerset, is dead, aged 76.—*Somerset Journal*.

The Treasure.

A wife to love
The whole day long;
A wife to blame
When things go wrong.
A wife to clothe,
A wife to feed;
A wife to "touch"
When coin you need.
A wife to kiss
Away earth's stings;
A wife to fetch
And carry things.
A wife to pet,
A wife to tease;
A wife (at times)
To try to please,
A wife from want
To shield and screen;
A wife on whom
To vent your spleen.
Oh, believe me, men,
Throughout this life
There's nothing like
A little wife.

Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from 12 to 20 times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up all hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." Penny's Drug Store.
